REPRESENTING INDIANA'S FIRST DISTRICT
CONGRESSMAN **PETE VISCLOSKY**

Welcome

Serving the constituents of Indiana's First Congressional District is my foremost priority. This community resource guide encompasses information on the services available for Northwest Indiana and includes a listing of the scholarships offered at our regional colleges and universities.

I hope that you find this information useful. If you ever need assistance with any federal agency or program, do not hesitate to contact my office directly at **219-795-1844**.

Sincerely,

A handwritten signature in black ink that reads "Peter J. Visclosky". The signature is fluid and cursive, written in a professional style.

REPRESENTING INDIANA'S FIRST DISTRICT
CONGRESSMAN PETE VISCLOSKY

Pete Visclosky proudly represents **the First Congressional District of Indiana**, which includes Lake, Porter, and a portion of LaPorte County. Throughout his time in office, Pete has worked to improve the quality of life for everyone in Northwest Indiana by creating new job opportunities and attracting economic development to the region.

Pete is a leading advocate for major economic development projects in Northwest Indiana, including the recapitalization of the South Shore Rail Line, the Gary/Chicago International Airport, and the Marquette Plan, his lakeshore investment strategy. Pete is a member of the powerful Appropriations Committee and serves as Ranking Member on the Defense Subcommittee, where he works to protect America's fighting men and women on the battlefield and when they return home. As a member of the Energy and Water Subcommittee, Pete has also worked to support investment in our national infrastructure—ports, harbors, and waterways—as well as protect our nuclear stockpile and encourage investments in energy technology to confront the energy crisis and reduce our dependence on foreign oil. In addition, Pete is affiliated with the following caucuses:

- Congressional Steel Caucus (Vice Chairman)
- Congressional Buy American Caucus
- Congressional Caucus on Armenian Issues
- Congressional Caucus on Hellenic Issues
- Congressional Caucus on India and Indian-Americans
- Congressional Caucus on Missing, Exploited and Runaway Children

- Congressional Dairy Farmers Caucus
- Congressional Diabetes Caucus
- Congressional Fire Caucus
- Congressional French Caucus
- Congressional Macedonian Caucus
- Congressional National Parks Caucus
- Congressional Serbian Caucus (Co-Chair)
- Congressional Slovak Caucus (Co-Chair)
- Friends of Switzerland Caucus
- Congressional Wine Caucus
- Congressional Wire and Wire Products Caucus
- Law Enforcement Caucus

Furthermore, Pete is a member of the Great Lakes Task Force.

Pete was born in Gary, Indiana, and graduated from Andean High School in Merrillville. He earned a Bachelor of Science in Accounting from Indiana University Northwest, a Juris Doctorate from the University of Notre Dame Law School, and a Master of Laws in International and Comparative Law from Georgetown University Law Center. Pete is married to Joanne Royce, and has two sons, John and Tim.

Help with a Federal Agency

Here to Help

Pete's office is here to serve you. While Pete cannot require federal officials to decide matters in your favor, he can insist that all rules are followed to ensure that your request receives appropriate consideration. Some of the most common problems arise from issues involving: Social Security and Medicare, immigration, the United States Military, veterans' affairs, welfare and social services, and regulatory agencies. If you need help with these matters, or if you have other concerns involving the federal government, please fill out the following form: [Constituent Fact Sheet to Get Your Casework Started \(PDF\)](#)

If you are unable to print the document above, please call the Merrillville office and ask to have one mailed, emailed, or faxed to you. Once your Constituent Fact Sheet is returned, Pete and his staff will work diligently to ensure that your concerns are addressed in a prompt and satisfactory manner. If you would still like to schedule a meeting with Pete, please contact the Merrillville office.

Things You Should Know

- According to the U.S. House of Representatives Committee on Standards of Official Conduct, Pete cannot act as an attorney or offer legal assistance in any way.
- Because of the constitutional separation of powers, judicial matters (matters before the courts) do not fall under Pete's jurisdiction as a Member of Congress. Examples of judicial matters include deportation proceedings or any matter before immigration courts, divorce, child custody, or other civil disputes, and criminal trials.
- While Pete will make his best efforts to assist you, please remember that federal agencies have discretion concerning decisions on individual cases and have the final say on the outcome.

Grants

Pete works hard to ensure that Northwest Indiana receives federal assistance when needed. Below you will find helpful resources.

Grants and Federal Domestic Assistance

Guidance and key resources to help eligible grant seekers find information on federal grants, loans, and non-financial assistance for projects, as well as on private funding. Prepared by the Congressional Research Service for Members of Congress, updated June 2014.

- How Best to Find Information
- Key Federal Funding Sources
- Related Federal Sources
- Private and Corporate Funding

How Best to Find Information

1. Find out who is eligible for a grant? Other government websites may be more suitable for personal needs, student loans, small business assistance, or other business opportunities such as government contracting. The government website Benefits, Grants, and Financial Aid at www.usa.gov/Citizen/Topics/Benefits.shtml may also be of help.

2. If eligible, search for program information in the Catalog of Federal Domestic Assistance (CFDA). Includes grants, loans, business and non-financial help.

3. Contact federal office given in CFDA program description if state or local office is indicated, check Regional Agency Offices at top of CFDA website for addresses.

4. Go to federal websites given in each CFDA program description for more information and for state administering agencies responsible for managing these programs.

5. Check current federal grants opportunities at www.Grants.gov, obtain a Dun and Bradstreet (DUNS) number, register with System for Award Management (SAM), and apply online (links and instructions given at the website). Additional notices appear at FedConnect.net

6. Search foundations for project funding: use the Foundation Center website at www.foundationcenter.org or Foundation Center Cooperating Collections in libraries to identify national, state, and community foundations.

7. Learn how to write grant proposals: follow CFDA's Developing and Writing Grant Proposals, or take the free online Foundation Center Proposal Writing Short Course.

Key Federal Funding Sources

- Catalog of Federal Domestic Assistance
- Grants.gov
- State Single Points of Contact
- CFDA in Local Libraries

- **Catalog of Federal Domestic Assistance (General Services Administration)**

www.cfda.gov

The CFDA, issued annually and updated continuously on the web, describes some 1600 federal grants and non financial assistance programs. Grant seekers can identify programs that might support their projects and can learn the program's objectives, requirements, application procedures and contacts. For current notices of funding availability, see www.Grants.gov or www.FedConnect.net.

- **Grants.gov (Department of Health and Human Services)**

Federal website that allows eligible grant-seekers to find and apply for current competitive grant opportunities from ALL federal agencies. Grant-seekers can check on notices of funding availability (NOFA) posted in the last 7 days; access an RSS feed of grant opportunities; and apply for federal grants through a unified process by downloading the application and submitting online. The website guides grantseekers in obtaining a Dun and Bradstreet (DUNS) <http://fedgov.dnb.com/webform>

number and registering with System for Award Management (SAM) www.sam.gov and registering with www.Grants.gov to apply and to track applications. For full federal program descriptions, see CFDA below. See also website www.FedConnect.net for additional grants and contracts opportunities.

- **State Single Points of Contact (Office of Management and Budget)**

www.whitehouse.gov/omb/grants_spoc

Under Executive Order 12372, some states require federal grants applicants to submit a copy of their application for state government level review and comment. The state offices listed here coordinate federal financial assistance and may direct federal development. For help in identifying state-level grants, other state government agencies websites may be found at www.usa.gov/Agencies/State-and-Territories.shtml.

- **CFDA in Local Libraries (Government Printing Office)**

Although the Catalog is available full-text on the Internet, some may prefer a print edition. However, only the Web Catalog is continuously updated. The published volume is annual with no supplements. The Catalog is available in all states in Federal Depository Libraries at <http://catalog.gpo.gov/fdlpdir/FDLPdir.jsp>.

U.S. Flags

Flag Order Form

U.S. flags are available for purchase through Pete's office. You may request that your new flag be flown over the Capitol for an additional charge. Flags may be flown for a particular person, event, or organization, and may be flown on a specific date. A certificate of recognition is included with each flag.

If you would like to order a U.S. flag from my office, please go to <https://flagorder.house.gov/FlagOrder.aspx?SSDD=IN01> to calculate the price and shipping costs.

Please select the option to print the completed form and return the form and your payment to my Merrillville District Office.

Care of the Flag

Most outdoor flags can be washed in mild detergent and thoroughly rinsed. Indoor and parade flags should be dry-cleaned. Damaged flags can be repaired and utilized as long as the overall dimensions are not noticeably altered. American Legion Posts and local governments often have facilities to dispose of unserviceable flags. Store your flag in a clean, well ventilated area.

U.S. Service Academy Information

Each year Pete has the privilege of nominating a select few of Northwest Indiana's best high school graduates for admission to the nation's service academies. The honor of attending a service academy comes with an obligation and commitment to serve in the military for a minimum of five years upon graduation. For more information, please review Pete's page of Frequently Asked Questions for those seeking a Military Academy nomination: www.visclosky.house.gov/serving-you/military-academy-nominations-faq.

The U.S. Service Academies include:

- **The U.S. Air Force Academy at Colorado Springs, Colorado:** www.usafa.af.mil
- **The U.S. Naval Academy at Annapolis, Maryland:** www.usna.edu
- **The U.S. Military Academy at West Point, New York:** www.usma.edu
- **The U.S. Merchant Marine Academy at Kings Point, New York:** www.usmma.edu
- **The U.S. Coast Guard Academy at New London, Connecticut:** www.cga.edu

Instructions

In order to be considered for admission to one of the service academies listed above, an applicant must attain a nomination. One type of nomination includes a letter from a U.S. Representative or Senator. When applying for a nomination to a service academy, applicants are also required to apply directly to the academies they wish to attend. The academy admissions process is initiated by filling out an application on their website. You will find links to the academies above.

Necessary items to complete to apply for a nomination:

1. Complete Application Form. Be sure to complete your essay and rank academies in order of your preference. You must rank ALL academies. This is required to maximize your opportunities for nomination. Furthermore, please include your email address.

- **Download the Academy Application:**
www.visclosky.civicapp.us/wp-content/uploads/pdf/military-academy-application.pdf

2. SAT/ACT Test Scores. Use the recipient code (SAT 1888 ACT 7397) when you register, and a copy of your scores will be sent directly to Pete's office. It is advisable that you take the test as soon as possible for purposes of early reporting and optional re-examination.

3. Nomination Recommendation Submission. Three (3) recommendations must be submitted on your behalf. Your high school Math or English teachers must author one of the submissions. You may wish to ask your principal, counselor, a church leader, employer, or someone who knows you well (not a relative) to submit the remaining recommendation.

After application is completed, here is the Recommendation Form url: www.visclosky.civicapp.us/wp-content/uploads/pdf/united-states-service-academies-nomination.pdf.

4. Official High School Transcript (and college transcript, if applicable), reflecting most current coursework and grades. Ask your high school to mail or fax an official transcript to the Merrillville office.

5. Contact each academy and make an application directly to each of the five academies. An early application will enhance your opportunity to garner an appointment. Here is the link to the Academy web pages: www.visclosky.house.gov/service-academy-websites.

Send Information to:

- **Congressman Pete Visclosky**
7895 Broadway, Suite A
Merrillville, Indiana 46410
Attn: U.S. Academy Coordinator
Fax: (219) 795-1850

NOTE: Qualified applicants will be interviewed in November by Pete's Academy Selection Committee. The Committee will screen applicants for scholastic ability, leadership potential, adequacy of preparation, and sincerity to attend a service academy.
